<b>Solid wood packing material</b>		EU applies the ISPM 15 standard related to the treatment of solid wood packaging and dunnage (wood used to wedge or support non-wood cargo). All arriving solid wood packaging must carry the ISPM15 mark indicating that all the timber has received appropriate treatment. The approved measures are heat treatment and fumigation.	Failure to include the ISPM15 mark will result in either the timber being ordered for examination or mandatory treatment. Excepted from ISPM15 mark: raw wood of 6mm thickness or less, processed wood producer by glue, heat and pressurer.
